Solenoid & Air Actuated Valves,
Process Transmitters,
Pneumatic Manifolds

Rotameters, Mass Flow Controllers,
Pressure & Vacuum Instruments

Site Glasses, Lighting, Process Cameras,
Vision Systems, Particle Size Analyzers

Thermal Dispersion Mass Flow Transmitters,
Direct Insertion, Full Body Meters

Industrial & Environmental Magnetic Flow
Meters, Battery Powered Meters,
Smart Sensors

Ultrasonic Clamp-On
Flow Meters, Ultrasonic Level Transmitters,
Pump Controllers, Area Velocity Monitors

Instrument Manifolds
Coplanar and Traditional Mount
Hand Valves

Pressure Gauges, Diaphragm Seals, Bi-Metal
Thermometers, Transducers

Signal Conditioning, Isolators,
Temperature Transmitters, IS Barriers,
Multifunction Displays

Variable Area, Vane / Piston
Vortex Shedding, Coolpoint™

Hygrometers,
Dew Point Analyzers

Pressure & Temperature Transmitters,
Magnetic & Vortex Flow Meters,
Multivariable Transmitters

Process Refractometers
Concentration and Liquid Density
Measurement

Particulate & Opacity Monitoring,
FLOWSIC Ultrasonic Flow,
Extractive and Insitu Gas Analysis

pH, ORP, DO & Conductivity Analyzers
Controllers and Multiparameters Transmitters

Wafer Check Valve, Iron, Carbon, Stainless,
Metal or Soft Seat, 2"-48"

Precision Turbine Flow Meters
For Liquids and Gases

Positive Displacement Flow Meters,
Coriolis & Turbine Flow Meters

High Performance & Resilient Seated
Butterfly Valves

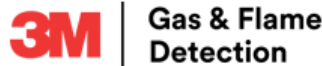

Flow Computers, Batch Controllers,
Totalizers

Viscometers, Rheometers,
Texture Analyzers

Differential Pressure Gauges,
DP Switches, and Backflow Prevention

Fixed Ambient Gas Detection,
Flame Detection, Area Monitors

Thermocouples, RTDs,
Thermowells

Remote I/O, Hart Interfaces,
Pressurization, Z-Purge Systems for
Hazardous Environments

Mechanical Pressure Gauges,
Diaphragm Seals, Calibrators,
Dead Weight Testers

Digital Panel Meters,
Large Displays, Annunciators,
Controllers

Miller Energy Services

- NIST Traceable Pressure and Temperature Calibration
- Liquid Case Fills
- Diaphragm Seal Assembly
- Custom Dials & Artwork
- Valve Automation & Repair
- Actuation & Limit Switch Packages
- Valve & Instrument Surveys
- Custom System Engineering & Design
- Instrument Enclosures
- Heated / Insulated Enclosures
- Instrument Tubing & Integration
- Instrument Safety Training
